

## BornAgain - Feature #1138

Feature # 964 (Rejected): === GUI ===

### GUI: provide uniform style for double numbers in GUI-generated Python script

17 Jul 2015 11:21 - pospelov

<b>Status:</b>	Archived	<b>Start date:</b>	17 Jul 2015
<b>Priority:</b>	Low	<b>Due date:</b>	
<b>Assignee:</b>	pospelov	<b>% Done:</b>	0%
<b>Category:</b>		<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	Sprint 31		
<b>Description</b>			
All doubles should have ".0", now we have sometimes "5*nanometer" sometimes "5.0*nanometer"			
I think it is important to demonstrate users that double is a double. After all, it is generally dangerous in Python to pass integer to the function which is badly written and expects double.
