- Status changed from *Sprint* to *Resolved*

Three remote branches removed:

-TruncatedCube: this branch was manually merged (copy of files) to develop after review by Céline, so I deleted the branch

-GPU: this was the old branch on which Rémy worked; removed

-stripped: this was the newer branch on which Rémy worked; I pushed this branch into its own repository (BornAgainGPU) and then deleted it from our repository (BornAgain)
