

BornAgain - Bug #1498

Feature # 1534 (Rejected): === Parameter handling ===

Fitting in GUI: values for all fitting parameters are reported as the same

05 Jul 2016 14:25 - herck

Status:	Archived	Start date:	05 Jul 2016
Priority:	Normal	Due date:	
Assignee:	herck	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	Sprint32		

Description

During fitting in the GUI with multiple parameters, the status display shows the same values for each parameter at each fitting step. However, as seen from parameter tree on the right, this is not what is really happening. So the fitting is correct, the reporting is not.

History
