

BornAgain - Feature #1706

Profile simulation with multilayers containing large amount of layers

01 Dec 2016 16:43 - ganeva

Status:	Resolved	Start date:	01 Dec 2016
Priority:	Normal	Due date:	
Assignee:	wuttke	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
Simulation of multilayer structures with more than 30 layers is very slow. It would be very helpful to find a possibility to accelerate it.
