

BornAgain - Feature #2079

Introduce SimulationBuilder and refactor FitSuite accordingly

13 Jun 2018 16:58 - pospelov

Status:	Resolved	Start date:	13 Jun 2018
Priority:	Normal	Due date:	
Assignee:	pospelov	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	Sprint 38		
Description			
<ul style="list-style-type: none">• Introduce SimulationBuilder• Get rid from MultiLayerBuilder in Simulation• Implement new FitSuite::addSimulationAndRealData(SimulationBuilder, real_data)			

History

#1 - 25 Jun 2018 08:45 - pospelov

- Assignee set to pospelov

#2 - 29 Jun 2018 11:36 - pospelov

- Status changed from Sprint to Resolved

- SimulationBuilder is not necessary, python callable can be used instead
- FitSuite is not refactored, we will throw it away
- FitObjective is a replacement
- See FitCylinderAndPrism_new.py for details
