

BornAgain - Documentation #224

shut down overnight Doxygen update

20 Mar 2013 08:15 - wuttke

Status:	Resolved	Start date:	20 Mar 2013
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
and delete Doc/Doxygen, since we have a new Doxygen pipe using git hook post-receive.			
Eliminate links to old URL; new address is http://apps.jcms.fz-juelich.de/doxy/BornAgain/index.html .			

History

#1 - 02 Apr 2013 17:33 - wuttke

- Status changed from New to Resolved

- crontab entry disabled
- Doxygen and OpenGrok are now run by git post-receive hook
- TeamCity seems to depend on yet another mechanism, not touched by the present intervention
