

BornAgain - Bug #2269

GUI on Windows: import python script fails with anaconda python in path

21 Dec 2018 11:22 - dmitry

Status:	Backlog	Start date:	21 Dec 2018
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
Not clear if it depends on python version and if the problem exists for over python installations			

History
