GUI: rename "Import" button to "Data"

17 May 2019 14:34 - wuttke

Status:	Resolved	Start date:	17 May 2019
Priority:	Normal	Due date:	
Assignee:	juan	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	Sprint 41		
Description			
Also change the tooltip.			
This button gives access to the "Import 2D" and "Import 1D" buttons, but also to the imported data display. Therefore, "Data" is the more comprehensive name.
