

BornAgain - Bug #2384

GUI: error on slicing core-shell particles

31 Jul 2019 09:57 - dmitry

Status:	Resolved	Start date:	31 Jul 2019
Priority:	Normal	Due date:	
Assignee:	herck	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	Sprint 41		

Description

1. Create a sample with core-shell particles (like in the attached project)
2. Set number of slices to smth., e.g. 100
3. Try running a simulation with an averaged layer material

As the result one gets the following error:

JobRunner::start() -> Simulation failed with exception throw:

FullSphere::sliceFormFactor error: interface outside shape.
