

BornAgain - Bug #2424

GUI crash by unexpected user behavior

27 Nov 2019 12:02 - ganeva

Status:	Resolved	Start date:	27 Nov 2019
Priority:	Normal	Due date:	
Assignee:	pospelov	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	Sprint 43		
Description			
To reproduce: 1. Start GUI, go to "Sample" view 2. Drag and drop "Multilayer" 3. Drag "cylinders with size distribution" example and drop it on the Multilayer. Observe crash. Reproducible on win10 and linux.
