- Assignee set to pospelov

#3 - 20 Oct 2014 13:48 - pospelov

- Status changed from Sprint to Resolved

It looks like it is a bug of the driver of virtual videocard from vmware.

The behaviour is exactly as here

<https://bugreports.qt-project.org/browse/QTBUG-11921>

Was able to cure it by switching on in vmware experimental support for DirectX

#4 - 28 Oct 2014 13:28 - herck

- Status changed from Resolved to Archived
